Mr. Earl Craig, Jr.
430 1st Ave. N.--Suite 260
Minneapolis, MN 55401

Dear Mr. Craig:

The Association for Nonsmokers--Minnesota thanks you for your vote to eliminate the advertising of Winston cigarettes in the Metrodome after 1982. We realize that the Commission may lose revenue for their vote on Wednesday. But by placing the public health above money, the Commission has taken a courageous stand. The Commission's action will, I suspect, set a precedent that will eventually be followed at other stadiums throughout the nation.

Sincerely yours,

Jeanne Weigum
President
